

Landscape risk
assessment

```
graph TD; A[Landscape risk assessment] --> B[Ambient assessment]; A --> C[Event response]; B --> D[303d listing, TMDL]; C --> E[Management response];
```

Informs:

Ambient
assessment

Event
response

Leads to:

303d listing,
TMDL

Management
response

Landscape risk
assessment

```
graph TD; A[Landscape risk assessment] --> B[Ambient assessment]; A --> C[Event response]; B --> D[303d listing, TMDL]; C --> E[Management response];
```

The diagram is a flowchart with five blue rectangular boxes. At the top is 'Landscape risk assessment'. Two arrows point down from it to 'Ambient assessment' and 'Event response'. 'Ambient assessment' has an arrow pointing down to '303d listing, TMDL'. 'Event response' has an arrow pointing down to 'Management response'. The 'Event response' box and its arrow are enclosed in a black rectangular frame.
